**Recreational Fishermen Survey for the Pilot &  
Proposed Oregon Marine Reserves**

*Thank you for your participation in this very important work. This survey will be used to assess the level of recreational fishing use at the pilot and proposed marine reserve sites in Oregon and the economic and social importance of this use to the local communities. Your information is confidential and will not be shown on an individual basis. You are encouraged to answer the survey completely but may skip any question you choose. Your name, phone number, and email, if you choose to share them, will only be used to clarify survey answers or to request further participation in other agency research. If you have any concerns, questions, or comments please send an email to [melissa.m.murphy@state.or.us](mailto:melissa.m.murphy@state.or.us) or call (541)867-7701 x 229.*
