

We Need Your Help!

The plan used to manage Oregon's rocky shore resources is being updated!

The State of Oregon invites all individuals, organizations, and governments to participate in this process so that all voices are heard!

Ways to get involved

1. Submit a comment to tspcomments@dlcd.state.or.us
2. Share your thoughts and experiences by taking an online questionnaire.
3. Attend a Public Workshop

Find meeting schedules, questionnaire links, and more information at www.OregonOcean.info/RockyShores

Do you Tidepool?

Help us find out the best
way to manage them!
