

OPAC Territorial Sea Plan Working Group
Rocky Shores Management Strategy Amendment Process
Draft Meeting Summary
Tuesday, November 22nd, 2016, 9:00AM – 12:00PM

Participants: Scott McMullen, Andy Lanier, Dave Fox, Chris Castelli, Laurel Hillmann, Robin Hartmann, Kris Wall, Steve Shipsey.

Members of the public: Sabrina Pearson

In this 4th meeting of the Territorial Sea Plan Work Group the group discussed a draft work program for moving the TSP Rocky Shores Amendment Process forward. The work program was presented and discussed, and consensus reached to forward the draft work program to OPAC.

If consensus for adopting the work program is agreed upon by the OPAC members, it will fundamentally change the way that the amendment process will be organized going forward. See attached PowerPoint slides for a diagram of the proposed amendment process. The draft work program, as specified in the amendments to the plan section of the TSP, includes an approximate schedule; public participation opportunities; any other working groups, as needed; or necessary technical assistance.
