Historic Old School located at Children's Farm Home
4455 NE Highway 20, Corvallis, Oregon 97330
(541) 758-5953

OBJECTIVES

1. Brief STAC on:
 - Marine Reserves Program mandates/requirements.
 - Program evaluation in 2023, and STAC's role in the evaluation.
2. Update STAC on Marine Reserves Program activities from 2010-present:
 - Site management plans.
 - Compliance and enforcement.
 - Communications/outreach/community engagement.
 - Ecological monitoring.
 - Human dimensions research.
3. How can STAC position itself to lead the best evaluation possible?
 - Current and potential future products and information. What products will be the most useful for the 2023 Program evaluation? What additional types of information could be helpful?
 - How can ODFW best keep STAC up to date on Program activities and findings? Preferred channels of communication? Periodicity of communications?
 - Other experts STAC might seek to involve.
 - Any perceived conflicts.
